Re: Records Request

Dear Mr. Morisy:

The Massachusetts Department of State Police ("Department") has received and reviewed your request for "A copy of all photos currently stored in the MA State Police iPhone(s) used to send out Twitter updates regarding Fourth of July updates and information." The Department considers your request as a submission pursuant to G.L. c. 66, §10, the Massachusetts Public Records Law.

Although the Department does utilize iPhones for communication, please note, based on information that this office has received from the Department's Media Relations Section, no social media updates relative to the Fourth of July celebration at the Boston Esplanade were made via iPhones. Therefore, the Department does not possess records responsive to your request.

If you object to the Department's response to your request, you may appeal the Department's response in accordance with Massachusetts General Laws, Chapter 66, §10(b) and 950 CMR 32.00.

Your attention to this matter is appreciated.

Sincerely,

Glenn M. Rooney
